## WEEKLY MEDITATION

I can only imagine the surge of excitement that went through the disciples as the word was shared. Beyond the agony of the Cross and the sorrow of the Tomb on that first day of the week the message was proclaimed: *He's Alive!*

And everything changes. This group of disciples - bound by fear and selfishness - are **transformed with a new strength and conviction**. Their encounter with the Risen Lord will empower them to face the obstacles of this world with joy and hope. They have seen the risen Christ...what is there to fear? They have embraced the one who has conquered sin and death - there is NOTHING that can shake their confidence in the light of Easter morning.

This same strength comes to us. Like the first disciples, we can turn to Jesus and allow his saving grace to renew us with a strength far beyond our own. We can claim a hope that sustains us in the midst of our challenges and struggles. The Easter sunrise brings light to the darkest corners of our hearts.

**What in our lives needs to be touched by Jesus Christ?** We are invited to boldly come forward, receive his resurrection strength, and face whatever this world presents with confidence: the victory of Christ enlivens us to travel through life with the conviction that the grace he gave his disciples continues in our hearts today.

**May this Easter season be a time of transformation and renewal;** a time where we embrace the gift of our lives with a new freedom and conviction. In the light of this Easter, may we follow the one who leads us from sin and death to the abundance of life...in this world, and the world to come.

**Happy Easter!**

Fr. Andrew
